

LET'S GROW KIDS Action Network ON THE ROAD TO 2025

YOU'RE HELPING VERMONT TO BUILD A CHILD CARE SYSTEM THAT WORKS FOR EVERY CHILD, FAMILY, AND COMMUNITY. **THIS IS OUR PLAN!**

2025

YOUR SUPPORT WILL HELP US CROSS THE FINISH LINE!

Your donations and support will transform our shared successes into reality for Vermont children, families, and early childhood educators, until Let's Grow Kids sunsets in 2025.

In 2023

**WITH YOUR HELP,
LET'S PASS A BILL**

Our campaign goal in 2023 will be passing a bill that funds a child care system for Vermont that is accessible, affordable, high-quality, accountable, and sustainable.

In 2024

LET'S GET TO WORK

We'll work with early childhood educators and our partners all over Vermont to set up our transformed child care system.

In 2022

**TOGETHER, WE'LL CONTINUE
TO STABILIZE THE SYSTEM AND
PREPARE FOR THE FUTURE**

Your support will help stakeholders and partners like state agencies, the early childhood education sector, the business community, and others work on setting up the child care system of the future, while making critical investments to support families and early childhood educators right now. Experts will analyze possible stable, long-term funding sources for our transformed system.

Plus, via Vermont's Child Care Campaign, supporters like you will organize your communities to elect child care champions to the Legislature this fall.

In 2021

**WE ARE GETTING
READY**

Our campaign will advance legislation that lays the foundation for our future child care system.

How? By making short-term investments and establishing state goals for child care affordability, access, and quality.
