# 2025

### YOUR SUPPORT WILL HELP US CROSS THE FINISH LINE!

Your support will transform our shared successes into a bright future for Vermont children, families, and early childhood educators. Together, we can build a better Vermont for generations to come.

## In 2023

### PASS A REVENUE BILL TO TRANSFORM THE CHILD CARE SYSTEM

Our campaign goal in 2023 will be passing a bill that funds a child care system for Vermont that is accessible, affordable, high-quality, equitable, accountable, and sustainable.

## In 2021

### PASSED H.171 WITH NEAR UNANIMOUS SUPPORT

Our campaign supported the successful passage of legislation (H.171) that lays the foundation for our future child care system by:

- Establishing state goals for child care affordability, access, and quality, prioritizing stakeholder input and engaging experts to identify long-term funding sources to guide our continued work together.
- Investing \$12.7 million to stabilize Vermont's child care system by supporting family affordability, Vermont's early childhood education workforce, and infrastructure improvement, and studying our current child care system to inform future transformation.

## In 2024

### TOGETHER, WE'LL BRING OUR SHARED VISION TO LIFE

We'll work with early childhood educators, families, and our partners all over Vermont to ensure the transformation is equitable and the system is prepared to put the new funding into action.

## In 2022

### IMPLEMENT H.171 AND ELECT CHILD CARE CHAMPIONS

Stakeholders and partners will work on setting up the child care system of the future. Experts will explore options for stable, long-term revenue to fully fund the child care system. Let's Grow Kids Action Network will support advocates like you to organize your communities to elect legislators who are child care champions.
